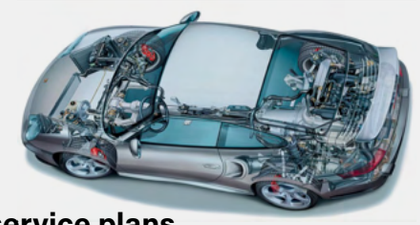
Mechanical Repair Service Contract

MetroGuard

The road ahead isn't always clear, but we are there for you at every turn

Mechanical Repair Service Contract



Our service plans

We have plans that are flexible for whatever your mechanical needs are, so you can choose and pay for only the coverage you need. Our service plans are perfect coverage for all components of a vehicle, and also allows you to build/choose a plan that is tailored to your requirements and needs.

Check out the way it works!

Powertrain Coverage Plan

MetroGuard Powertrain covers the major components of the vehicle and offers protection against many major breakdowns.

Engine

- **Gasoline Engine**
  Cylinder Block and All Internal Lubricated Parts will be repaired.
- **Fasteners for all components**
- **Turbocharged/Supercharged/Rotary/Diesel/Enhanced Engines**
  Same as above Parts or Equivalent Plus; Turbocharger, Waste Gate-Controller, Lines and Nozzles, Seals and Gaskets will be taken care of.

Electric Traction Motor(s)

- **Electric Traction Motor(s) (or generator(s)) that drive the Vehicle's Wheels**
  Motor (Generator) mounts, Water pump, Thermostat and Housing, Seals and Gaskets
- **Fasteners for all the components.**

Transmission

- **Automatic** - Case and all Internal Lubricated Parts will be covered.
- **Same for all the components and parts of Standard and Transfer Case (4X4 Vehicles)**
- **Fasteners for all the components.**

Front Wheel Drive

- **Final Drive Housing and All Internal Parts Including:**
  Carrier Case, Gear Sets and all other.

Rear Wheel Drive

Drive Axle Housing and All Internal Lubricated Parts will be repaired with this Powertrain Coverage Plan.

Batteries

Electric vehicle traction batteries, replacement or rebuilt battery packs.

Thermal Systems

All pumps, hoses, fans to maintain a proper operating temperature range of the Electric Traction Motors, power electronics, and other components.

Gold Coverage Plan

Gold coverage plan offers the same coverage as Powertrain, with the following additional benefits;

Steering

- **Housing/Case and All Internal Lubricated Parts will be taken care of**
- **Fasteners for the Components**
  (Does Not Include "Rear Wheel Steering" Components.)

Suspension

- **Repair and Fasteners for all Components**

Brakes

- **Repair and Fasteners for all Components**

Electrical

- **All electrical components, Manually Operated Switches**
  (Specifically Turn Signal, Headlight, Dimmer, and Wiper Switches)
- **Mechanically Actuated Switches**
  (Ignition, Brake Light and Neutral Safety Switch)
- **Electronic Fuel Injection System**
  (Including All Input/Sensors and Output/Control Units, Except EGR Valve, Related To The Fuel Injection System)
- **Electronic Ignition Module, Distributor and Coil, Engine Management Control Unit, Knock Sensor and Oxygen Sensor**

Air Conditioning

- Compressor and mounting brackets
- Temperature control programmer
- High/low pressure cutoff switches
- High/low pressure hoses
- Pressure cycling switch
- Temperature control head
- O-ring seals, Gaskets
- Clutch and pulley
- Condenser
- Evaporator
- Orifice tube
- Accumulator
- Thermostat
- Drier

- Fasteners for the components listed above and Freon-refrigerant (if necessary) in conjunction with the repair of the components listed above.

Additional Parts

- Anti-Lock Brake System
- Power Seat Motor(s) and Transmission(s)
- Oil Filter Adapter/Housing
- Temperature Sending Unit
- Fuel Supply Pump
- Vacuum Modulator
- Power Window Motor(s) and Power Regulator(s)
- Power Door Lock Actuator(s) Digital and Analog
- Instrument Display(s)
- Low Fuel Sensor
- Low Coolant Sensor
- Low Oil Sensor
- Electronic Rear View Mirror Motor(s)
- Headlight Door Motor(s)
- Heated Back Glass
- Windshield Wiper Washer Pump(s)
- Heater-A/C Blower Motor
- Heater Core Assembly
- Heater Control Valve
- Radiator
- Radiator Fan and Clutch
- Radiator Fan Motor Including Fan Blade
- Temperature Sensor and Relay
- Fuel Tank and Hard Lines
- Fuel Tank Sending Unit
- Power Sunroof Motor
- Convertible Top Motor
- Constant Velocity Joints
- Horn Assembly
