

Web Provider Install Checklist - Dealer Inspire

Delaney Auto

8/12/2024

This checklist is intended to provide specific instructions for installing the requested ComplyAuto tools and services on the organization's websites.

For questions or concerns please contact: desiree.fonseca@complyauto.com.

Websites

1. <https://www.delaneyvolvocarsgreensburg.com/>
2. <https://www.delaneynissangreensburg.com/>
3. <https://www.delaneychevroletgreensburg.com>

1. <https://www.delaneyvolvocarsgreensburg.com/>

Install User Tracking Blocking Script

Add the Add the following script to the top-most section (the <head>) of the website, or at least above the third-party retargeting scripts:

```
<script src="https://cdn.complyauto.com/cookiebanner/banner/a970d102-77d9-439e-b6c1-6ae23cefde1b/blocker.js"></script>
```

If your Banner has been configured to do so, this script will detect and block a list of the most common third-party tracking scripts. This needs to be placed as high up in the top-most section (the <head>) of the website as possible, so that this script is the first, or one of the first, to execute when a user visits your website.

After adding the script above, please follow the instructions in *"Cookie Banner & Third-party Cookie Blocking"* to **use the Cookie Banner tools** to block any cookies identified under the definition provided in the *"Cookie Classification Guide"* that are unique to your website.

Install Cookie Banner

Add the following script to the end of the <body> section of the website:

```
<script src="https://cdn.complyauto.com/cookiebanner/banner.js" data-cacookieconsent-id="a970d102-77d9-439e-b6c1-6ae23cefde1b"></script>
```

This script generates the actual Cookie Banner, settings Modal, and Floater icon that the user sees. It can be placed below other, higher priority, scripts at the end of the <body> of the website.

Remove any other cookie banners that are now redundant.

Install Privacy Policy & Notice of Collection

Add the following iframe to <https://www.delaneyauto.com/privacy-policy>:

```
<iframe src="https://consumer.complyauto.com/privacy-policy/06ce5054-5d4c-4838-beed-30ca6f060b2b" style="height: 1200px; width: 100%" title="Privacy Policy"></iframe>
```

Adjust the *height* and *width* attributes of the iframe appropriately for the page that it is placed on to ensure easy visibility.

Update any existing Privacy Policy links (e.g. in the footer) to now direct towards this page.

Install Consumer Request Portal

Add the following iframe to <https://www.delaneyauto.com/privacy-requests>:

```
<iframe src="https://consumer.complyauto.com/request-portal/6baabc78-f362-4e54-84e3-716685692373" height="900px" width="1200px" title="Consumer Request Portal"></iframe>
```

Adjust the *height* and *width* attributes of the iframe appropriately for the page that it is placed on to ensure easy visibility. A height of 900px and width of 1200px is usually recommended.

Update any existing Request Portal or “Do Not Sell” links (e.g. in the footer) to now direct to this page.

2. <https://www.delaneynissangreensburg.com/>

Install User Tracking Blocking Script

- Add the Add the following script to the top-most section (the <head>) of the website, or at least above the third-party retargeting scripts:

```
<script src="https://cdn.complyauto.com/cookiebanner/banner/b9552afb-da35-431b-833a-945bbe8578f7/blocker.js"></script>
```

- If your Banner has been configured to do so, this script will detect and block a list of the most common third-party tracking scripts. This needs to be placed as high up in the top-most section (the <head>) of the website as possible, so that this script is the first, or one of the first, to execute when a user visits your website.
- After adding the script above, please follow the instructions in "Cookie Banner & Third-party Cookie Blocking" to use the Cookie Banner tools to block any cookies identified under the definition provided in the "Cookie Classification Guide" that are unique to your website.

Install Cookie Banner

- Add the following script to the end of the <body> section of the website:

```
<script src="https://cdn.complyauto.com/cookiebanner/banner.js" data-cacookieconsent-id="b9552afb-da35-431b-833a-945bbe8578f7"></script>
```

- This script generates the actual Cookie Banner, settings Modal, and Floater icon that the user sees. It can be placed below other, higher priority, scripts at the end of the <body> of the website.
- Remove any other cookie banners that are now redundant.

Install Privacy Policy & Notice of Collection

- Add the following iframe to <https://www.delaneyauto.com/privacy-policy>:

```
<iframe src="https://consumer.complyauto.com/privacy-policy/06ce5054-5d4c-4838-beed-30ca6f060b2b" style="height: 1200px; width: 100%" title="Privacy Policy"></iframe>
```

- Adjust the *height* and *width* attributes of the iframe appropriately for the page that it is placed on to ensure easy visibility.
- Update any existing Privacy Policy links (e.g. in the footer) to now direct towards this page.

Install Consumer Request Portal

Add the following iframe to <https://www.delaneyauto.com/privacy-requests>:

```
<iframe src="https://consumer.complyauto.com/request-portal/6baabc78-f362-4e54-84e3-716685692373" height="900px" width="1200px" title="Consumer Request Portal"></iframe>
```

Adjust the *height* and *width* attributes of the iframe appropriately for the page that it is placed on to ensure easy visibility. A height of 900px and width of 1200px is usually recommended.

Update any existing Request Portal or “Do Not Sell” links (e.g. in the footer) to now direct to this page.

3. <https://www.delaneychevroletgreensburg.com>

Install User Tracking Blocking Script

Add the Add the following script to the top-most section (the <head>) of the website, or at least above the third-party retargeting scripts:

```
<script src="https://cdn.complyauto.com/cookiebanner/banner/61f42ed4-b2da-478b-9bfe-5f0889ca9eb5/blocker.js"></script>
```

If your Banner has been configured to do so, this script will detect and block a list of the most common third-party tracking scripts. This needs to be placed as high up in the top-most section (the <head>) of the website as possible, so that this script is the first, or one of the first, to execute when a user visits your website.

After adding the script above, please follow the instructions in “Cookie Banner & Third-party Cookie Blocking” to use the Cookie Banner tools to block any cookies identified under the definition provided in the “Cookie Classification Guide” that are unique to your website.

Install Cookie Banner

Add the following script to the end of the <body> section of the website:

```
<script src="https://cdn.complyauto.com/cookiebanner/banner.js" data-cacookieconsent-id="61f42ed4-b2da-478b-9bfe-5f0889ca9eb5"></script>
```

This script generates the actual Cookie Banner, settings Modal, and Floater icon that the user sees. It can be placed below other, higher priority, scripts at the end of the <body> of the website.

Remove any other cookie banners that are now redundant.

Install Privacy Policy & Notice of Collection

Add the following iframe to <https://www.delaneyauto.com/privacy-policy>:

```
<iframe src="https://consumer.complyauto.com/privacy-policy/06ce5054-5d4c-4838-beed-30ca6f060b2b" style="height: 1200px; width: 100%" title="Privacy Policy"></iframe>
```

Adjust the *height* and *width* attributes of the iframe appropriately for the page that it is placed on to ensure easy visibility.

Update any existing Privacy Policy links (e.g. in the footer) to now direct towards this page.

Install Consumer Request Portal

Add the following iframe to <https://www.delaneyauto.com/privacy-requests>:

```
<iframe src="https://consumer.complyauto.com/request-portal/6baabc78-f362-4e54-84e3-716685692373" height="900px" width="1200px" title="Consumer Request Portal"></iframe>
```

Adjust the *height* and *width* attributes of the iframe appropriately for the page that it is placed on to ensure easy visibility. A height of 900px and width of 1200px is usually recommended.

Update any existing Request Portal or “Do Not Sell” links (e.g. in the footer) to now direct to this page.
