

Lexus Personalized Settings

Your vehicle includes a variety of electronic features that can be programmed to your preferences. The programming of these features is performed once at no charge by your Lexus Dealer provided you obtain the service at the 6-month/5,000-mile scheduled maintenance service.

It is also possible to customize certain vehicle features yourself using the navigation system screen.

Vehicles with Navigation System:

STEP 1 Press the **MENU** button.

STEP 2 Highlight  using the Remote Touch unit and push knob to select.

STEP 3 Scroll to page 2. Highlight  and push knob to select.

STEP 4 Select **Vehicle Customization** and push knob to select.

STEP 5 Select category and scroll to specific customization setting.

Vehicle must be in "On" mode to program personalized settings.

Please refer to the 2017 LS 460 Quick Guide or Navigation Owner's Manual for more information on Remote Touch operations.

	Settings that can be customized by:	
	Using the Navigation System	Dealer
