

MAZDA MX-5 MIATA | RF

We do not simply exist to make cars. We strive to achieve something more. To inspire you every day through exhilarating experiences that help you feel more focused, more connected. And more alive.

This is what drives us to push boundaries and defy convention every day. It's why we refined the rotary engine in 1967, resurrected the roadster in 1989 and reimagined how an automobile is developed, piece by piece, in 2006. Instead of simply redesigning a car, we started from a blank sheet of paper and built the ideal vehicle around how it would make you feel.

Today, we stand more focused than ever. Creating breathtaking designs and revolutionary technologies like Skyactiv® Technology and i-Activ AWD.® Built to forge an even deeper connection between you and your Mazda. An emotional bond, formed at first glance and reinforced every time you get behind the wheel. To us, this bond is everything. And it inspires us to design better, innovate more and make each Mazda smarter and safer than what came before. All to make everything about driving even better. Including you.

CHALLENGER SPIRIT

Since 1920, Hiroshima, Japan, has been our source of intense courage, commitment and perseverance. We have consistently found inspiration through this community—a shared spirit that pushes us to rise above any challenge. Together, we have achieved more than anyone could have imagined. We have built a global company from the ground up. We have developed innovations that others deemed impossible—from the rotary engine to Skyactiv® Technology and beyond. Most of all, we have never strayed from our commitment to humanity. We give all of ourselves, we use our hands to craft and make things that matter, that have soul and heighten your state of being.

Mazda debuted the MX-5 Miata in 1989 to enthusiasts who craved a modern-era roadster. Keeping the dream of classic roadsters alive, it is an extraordinary feat of engineering. The legacy of pure driving enjoyment is infused into the MX-5 Miata to this day, offering renowned handling that transforms every highway, every curve, every switchback into heightened moments of pure delight. Nearly 30 years later, the MX-5 continues to push the boundaries of innovation while staying true to its original spirit. No detail is too small to reconsider and refine. And now, the 2019 MX-5 offers an even more invigorating driving experience with a boost in horsepower from 155 hp to 181 hp—making it our most powerful MX-5 ever. Without adding unnecessary weight or inches. Because at Mazda, our passion is to continually elevate the joy from driving.

MAZDA MX-5 MIATA

From its inception, the Mazda MX-5 Miata was designed to capture the pure exhilaration of driving. Mazda's challenger spirit to never stop improving is evident in the MX-5 Miata as engineers and designers continue to perfect its handling and performance. Even as safety standards have increased and technologies progressed, it remains lightweight, nimble and responsive to any driver who gets behind the wheel. Whether it's accelerating down the highway, leaning into turns or maneuvering through corkscrews, the MX-5 offers an unparalleled dynamic driving experience. Like the very first MX-5 to hit the streets nearly 30 years ago, it continues to be beloved by drivers the world over.

「魂動」 KODO Soul of Motion

Our design philosophy is simple, yet highly challenging to accomplish. Everything we create must capture motion, even at a standstill. In the same instance, it should evoke emotion. This process requires a human touch, hands on clay, shaping the form. Eliminating all that is unnecessary, leaving only what is beautiful. Lines should effortlessly draw your eye to every angle and curve. This sense of movement inspires an urge to get behind the wheel. We call this Kodo: "Soul of Motion" design. It's what makes a Mazda feel like a Mazda.

DESIGN WITH A SINGLE FOCUS: YOU.

The 2019 Mazda MX-5 Miata has been meticulously crafted around you, the driver, to enliven the senses. To ensure you feel seamlessly at one with your MX-5, every design within the cabin has been considered. From the tilt of the ergonomic sport seats to the placement of the gearshift to the functional layout of the gauges, each element has been thoughtfully designed to work in harmony with your body. The car seems to anticipate your every command. And attention to finer details, like the placement of stitching that positions the driver's seat in perfect symmetry, create a visual center line that continues up through the steering wheel and instrument panel. An aesthetic that is not only visually pleasing but also contributes to the pure joy experienced by such a connected drive.

「人馬一体」 ONENESS Connecting car and driver

There is a Japanese philosophy known as “Jinba Ittai” (horse and rider as one). It’s the relationship where the two join in one fluid entity, the horse sensing and responding to the rider’s slightest move. The Mazda MX-5 is designed around this philosophy. It becomes a natural extension of your body, anticipating and answering your every command. And it’s only when you sit in the driver’s seat that the car achieves a nearly perfect 50/50 balance—the ideal distribution for optimal handling and performance. It’s this unique relationship between car and driver that makes the MX-5 driving experience so unique and exhilarating.

ICONIC DNA. PROGRESSIVE STYLE.

The Mazda MX-5 Miata RF was born from the desire to bring the heart-pounding excitement of driving to a more sophisticated design. An adventurous evolution of the MX-5 Miata—it's not just a hardtop, not just a convertible. It's an innovative fastback. In approximately 13 seconds, its retractable roof slips away, retaining the poised fastback profile with sinuous lines that always seem in motion. Polished, charismatic, muscular. And now, it's the most powerful MX-5 RF ever.

HARMONY WITHIN

We designed the MX-5's cabin to be in synchronicity with you, the driver. While embraced in the leather seats of Grand Touring models or the red-stitched cloth seats in Club models, you won't miss a beat of your favorite songs. Both models feature the Bose® Surround Sound audio system that keeps the music crisp and clear. Nine speakers, including two positioned in each of the MX-5's headrests, create an energizing aural experience. An environment that's sophisticated, refined and perfectly in sync.

ASTONISHINGLY INTUITIVE

Keeping you connected to your music, entertainment, friends or colleagues, all while keeping your eyes focused on the road, Mazda Connect™¹ is as intuitive as it is interactive. Carefully placed at the optimum position, the Commander control on the center console lets you navigate the system's features with ease, with information shown on the MX-5's 7-inch full-color center display. It's impressive technology that invigorates the senses, keeping you in close touch no matter how far you travel.

¹ Don't drive while distracted. Even with voice commands, only use Mazda Connect™/ other devices when safe. Some features may be locked out while the vehicle is in motion. Not all features are compatible with all phones. Message and data rates may apply.

YOUR WORLD, AT YOUR COMMAND.

Seamlessly connect to your world and inspire your drive with Apple CarPlay™ integration¹, now available as part of a new dealer-installed accessory bundle for the MX-5. Access your iPhone's maps, playlists, contacts and compatible apps with your voice through Siri. Siri will also read incoming text messages and allow you to reply without taking your hands off the wheel. For Android users, Android Auto™ integration¹ is also included in the bundle. Everything you need is a tap or voice command away, enhancing the connection between you and the drive.

Accessory Apple CarPlay™ integration shown. ¹ Requires compatible phone and standard text and data rates apply. Third-party interface providers are solely responsible for their product functionality and third-party terms and privacy statements apply. Don't drive while distracted or while using a hand-held device. Android and Android Auto are trademarks of Google LLC. Apple CarPlay, iPhone and Siri are trademarks of Apple Inc.

A HOLISTIC APPROACH TO DRIVING

From the chassis to the transmission to the engine and beyond, Skyactiv® Technology enables us to orchestrate the ideal driving experience. We've designed every single aspect of our cars to be powerful, yet efficient. And now, the 2019 Mazda MX-5 Miata is the most powerful version we've ever produced. The MX-5's Skyactiv®-G 2.0L engine generates 181 hp, and with a higher redline of 7,500 rpm, there's room for even more exhilaration. It's one of the many ways driving the MX-5 will rejuvenate your spirit.

A COMMUNITY OF RACERS

The Mazda MX-5 Miata was born from a love of racing. On any given weekend, more Mazdas and Mazda-powered cars are road-raced in the U.S. than any other car.¹ At Mazda Motorsports, it's our mission to support the thousands of racers who have chosen to race our cars in grassroots competitions, including those in the Sports Car Club of America (SCCA) and the National Auto Sport Association (NASA). Those who are part of our community of drivers have access to our exclusive website, plus access to a dedicated call center for answers to technical questions. For enthusiasts who want to test their talent and technique at a higher level, we developed the MX-5 Cup. Because we want to get racers off the sidelines and behind the wheel.

SPECIFICATIONS

ENGINE

SKYACTIV®-G 2.0L DOHC 16-valve 4-cylinder engine with variable valve timing
181 hp @ 7,000 rpm
151 lb-ft of torque @ 4,000 rpm

MAZDA CONNECT™ Infotainment System⁶ with:
7-inch full-color touch-screen display, Multifunction Commander control, HD Radio™, Infotainment system voice command, Aha™ Pandora® and Stitcher™ internet radio integration, Radio Broadcast Data System program information and SMS text message audio delivery and reply
Rearview camera⁸
Mesh aero board

Dual front air bags and side-impact air bags⁹
Dynamic Stability Control¹⁰
Traction Control System
Anti-theft Engine Immobilizer
Tire Pressure Monitoring System

AVAILABLE i-ACTIVSENSE® SPORT PACKAGE
Includes Smart City Brake Support³, Blind Spot Monitoring with Rear Cross Traffic Alert⁴ and Lane Departure Warning System⁵

² SiriusXM Satellite Radio requires a subscription and Mazda satellite radio. Subscriptions to SiriusXM services are sold by SiriusXM after a 4-month trial subscription to the SiriusXM All Access package expires and are continuous until you call SiriusXM at 1-866-635-2349 to cancel. See SiriusXM Customer Agreement for complete terms at www.siriusxm.com. Sirius satellite service is available only to those at least 18 and older in the 48 contiguous USA, D.C., and P.R. (with coverage limitations). Sirius, XM and all related marks and logos are trademarks of Sirius XM Radio Inc. ³ Smart City Brake Support operates under certain low-speed conditions between about 2 and 18 mph. It is not a substitute for safe and attentive driving. Factors including movement and shape of the object in front of the vehicle, weather and road conditions can all impact automatic brake control and collision warning. Please see your Owner's Manual for further details. ⁴ Always check your mirrors. Be aware of the traffic around you. There are limitations to the range and detection of the system. Please see your Owner's Manual for further details. ⁵ Lane Departure Warning System operates under certain conditions above 44 mph. It is not a substitute for safe and attentive driving. There are limitations to the range and detection of the system. Please see your Owner's Manual for further details. ⁶ Don't drive while distracted. Even with voice commands, only use Mazda Connect™/ other devices when safe. Some features may be locked out while the vehicle is in motion. Not all features are compatible with all phones. Message and data rates may apply. ⁷ Traffic Sign Recognition System is not a substitute for safe and attentive driving. Factors including weather and condition of the traffic sign can impact recognition or display of the sign. Always check traffic signs visually while driving. Please see your Owner's Manual for further details. ⁸ Rearview camera does not provide a comprehensive view of the entire rear area of this vehicle. Always check your surroundings. ⁹ Always wear your seat belt and ensure that the passenger air bag deactivation light is illuminated when using a child- or infant-restraint system. Please see your Owner's Manual for further details. ¹⁰ Dynamic Stability Control (DSC) is an electronic system designed to help the driver maintain control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions and driver steering input can all affect whether DSC will be effective in preventing loss of control. Please see your Owner's Manual for further details. **PRODUCT CHANGES AND OPTIONS AVAILABILITY:** Following publication of this brochure, certain changes in standard equipment, options, prices and the like—or product delays—may have occurred which would not be included in these pages. Your Mazda Dealer is your best source for up-to-date information. Mazda reserves the right to change product specifications at any time without incurring obligations.

SELF-EXPRESSION AT EVERY LEVEL

The closer you examine the Mazda MX-5 Miata, the more intriguing our story becomes. Mazda's Kodo design philosophy is evident across every aspect of the Mazda MX-5 Miata, right down to its alloy wheels. Our entire selection of wheels is designed to help you express your own character to create an even more personal connection between you and your car.

THE ART OF SEDUCTION

One of the first things you'll notice with any Mazda is its color. The glossiness. The luster. This isn't paint you'd typically find on a production car. This level of detail, this level of depth and translucency, is what you'd expect at a custom car show. Each MX-5 Miata color is created by a color designer and master painter who work together to ensure the final product is exactly as intended. Together, they relentlessly pursue the ideal color and stretch the possibility of the paint to highlight the beautiful and expressive lines of the Mazda MX-5 Miata.

EXQUISITELY CRAFTED DOWN TO THE LAST STITCH

Upholstery plays a unique role in automotive design. It is the one element that makes direct contact with the driver and passengers throughout the entire drive. Every stitch, every inch of our carefully constructed upholstery, is designed to make your driving experience better. Expert fabricators experiment with textures, stitching and seam placement to create a range of distinct and expressive designs. So you can enjoy an elegant level of refinement in every Mazda MX-5 Miata.

MAZDA CAPITAL SERVICES

Whether you're buying or leasing a new Certified Pre-Owned Mazda or used Mazda, Mazda Capital Services² can help make the financing process more convenient and satisfying. Mazda Capital Services, one of the largest auto lenders in America, is known for first-class customer service, a wide range of financing options and highly competitive rates. To find out which purchase or lease plan is right for you, talk with your Mazda Dealer, visit MazdaUSA.com or call us toll-free at 800.222.5500.

¹ Whichever comes first. ² The tradename "Mazda Capital Services," as well as the Mazda and Mazda Capital Services logos, are owned by Mazda Motor Corporation or its affiliates and are licensed to JPMorgan Chase Bank, N.A. ("Chase"). Retail/loan and lease accounts are owned by Chase.

Thank you for considering a Mazda.

As you can see from the stories in this brochure, everyone at Mazda, including our Mazda Dealer partners, is deeply passionate about creating cars that provide a memorable driving experience. This passion all starts with you. Before the first sketch of a Mazda, before any new idea is conceived, we consider you, the driver, first. All with the hope that you will feel our passion for driving once you're behind the wheel.

If you haven't already experienced the excitement of driving a Mazda for yourself, schedule a test drive at your local Mazda Dealer. Together, we will ensure that a great test drive is just the first step in the joy of owning a Mazda.

Sincerely,

A handwritten signature in black ink, appearing to read 'Masahiro Moro'.
