The Odyssey has something advanced for everyone. The available wireless streaming capability and the unique CabinControl™ app—which lets passengers select songs for the ride—are just two of the outstanding options you’ll find in this vehicle.

CabinControl™
- Passengers can suggest destinations to onboard navigation
- Passengers can share songs to a vehicle playlist from their device
- Passengers can control basic audio functions and rear climate
- Driver maintains control over music and navigation suggestions

CabinWatch™
- Easy monitoring of rear-seat passengers
- Rear seats visible on Display Audio screen
- Infrared LEDs for lowlight visibility

CabinTalk™
- In-car PA system
- Easily converse with 2nd- and 3rd-row passengers†
- Mute media from wireless headphones, headphone jacks or vehicle speakers†

Connectivity on the Go™
- How Much Farther®
- Streaming apps
- Wireless phone charger†
- 550-watt premium audio system
- Testable feature. Please refer to spec sheet for application.

*Available feature. Please refer to specs for actual trim application. LG G6 is not included. CabinWatch screen image simulated. Drive responsibly. Some states have prohibited the application of personal electronic devices when operating a motor vehicle. Other states and countries may have restrictions. Seek local law. For safety reasons, always launch your audio application or perform any other operation on your phone or audio device only when the vehicle is safely parked.†Through headphones (EX-L Nav/RES, Touring). Through headphones or speakers (Elite).
At the forefront of safety.

The Odyssey has achieved a top safety pick rating from IIHS. Every model comes standard with advanced safety features to assist and help protect you and your most precious cargo.

Surrounded by Peace of Mind

- Advanced Compatibility Engineering™ (ACE™) body structure
- Driver’s and front passenger’s knee airbags
- Multi-angle rearview camera
- Advanced front airbags
- Vehicle Stability Assist™ (VSA®) with traction control
- Daytime Running Lights
- Tire Pressure Monitoring System (TPMS)™ with Tire Fill Assist and location and pressure indicators

Odyssey Elite shown in Deep Scarlet Pearl.

Airbags inflated for display purposes. Honda reminds you and your passengers to always use seat belts and appropriate child seats. Children 12 and under are safest when properly restrained in the rear seat.
Even the most attentive of drivers can miss things. That's why the Odyssey offers Honda Sensing®, an available suite of safety and driver-assistive technologies designed to assist and help protect you and your passengers.

Collision Mitigation Braking System™ (CMBS™) (lower right image) This innovative offering can help bring your Odyssey to a stop by automatically applying brake pressure when the system determines a frontal collision is unavoidable.

Lane Keeping Assist System (LKAS)® (lower left image) With your hands on the steering wheel, long highway drives are easier with LKAS, which subtly adjusts steering to help keep the vehicle centered in a detected lane.

Road Departure Mitigation System (RDM)® This system can determine if you cross over detected lanes without signaling, can provide steering assistance to help you return to your lane or provide braking to help keep from leaving the roadway entirely.

Adaptive Cruise Control (ACC)® (upper image) ACC helps you maintain a set following interval behind detected vehicles for highway driving.
Game changer. The Odyssey is all about letting you do more. Whether you’re transporting MVPs or 4’ x 8’ plywood sheets, fit everything you need into an expansive interior that’s easy to clean.

Extras That Make a Difference

• Seating for eight*
• HondaLink®
• Hands-free access power tailgate*
• Wide flat cargo management*

*Available feature. Please refer to specs for actual trim application.
