# Tequipment Boxster

Accessories for the Boxster model range

**To dream, you don't need  
to close your eyes.**

Thinking laterally and breaking boundaries. Never standing still and never making do. Continually striving to improve every last detail and always highly motivated. These are characteristics that distinguish not only you, but also the Porsche development team in Weissach. Whether it's the designer or the engineer, each member of the team is committed to getting the best out of absolutely everything.

The same philosophy applies to the model-specific products available from Porsche Tequipment. With the Porsche Tequipment program, you can refine your car to your unique taste after you have taken delivery. All Porsche Tequipment products are designed with the complete vehicle in mind and by the same Porsche engineers and designers who also develop the vehicles themselves.

As with the cars we create, all of our aftermarket accessories undergo rigorous testing during their development. From design through to approval, we thoroughly scrutinize important properties, from safety to performance, and from design to durability.

Highlighted in our range: The 20-inch SportTechno wheels painted in GT Silver Metallic are an example of that thinking. The sizes of the wheels and tires have been maximized so that they finish flush with the body of the car and give it an even more imposing appearance. As a mark of refinement, the spokes and rim have a highly polished surface finish. The wheel centers with full-

color Porsche Crest are available with a GT Silver Metallic paint finish.

Whether you wish to enhance its performance, refine its style, or add comfort features, it is never too late to give your Porsche an extra personal touch.

For peace of mind, you can rest assured that your original warranty will not be affected.

**The more you change it,  
the more it becomes like you.**

A Porsche is often a decision for life. Two thirds of all Porsche cars ever built are still being driven today. That's not by chance—it's because they are cherished and well cared for by their drivers.

Even a relationship as solid as this one can welcome change once in a while. A few tasteful refinements can freshen your car's appearance and make it even more expressive.

The Porsche Tequipment range of accessories helps you to make your Boxster even more unmistakable and charismatic. Are you thinking about some new wheels, or do you like the look of the Sport tailpipes? Choose from a number of exterior enhancements that reaffirm the motorsport heritage of your Boxster.

## Exterior

*Boxster*

**You get more than accessories to your car's standard equipment.  
You get more Porsche.**

**[1] Model designation on doors in black**

With light-colored exterior paint, a black model designation on the doors creates a striking contrast and heightens your sense of anticipation as you step inside.

Part no: 981 044 800 70 041

**[2] Model designation on doors in silver**

With dark exterior paint, a silver-colored model designation on the doors reinforces the unique character of your Boxster.

Part no: 981 044 800 70 V04

**[3] Sport exhaust system\* (not shown)**

The Porsche sound is powerful, resonant, and throaty. Better still, it can be enhanced, with the sport exhaust system featuring a modified main silencer and a specially designed Sport tailpipe. The system is activated by a separate switch integrated into the front control panel.

Part no: 981 044 200 00

**[4] Sport suspension (not shown)**

Sometimes enhanced performance can be inspired by a closer relationship—with the road. The body of your Boxster will be 20 mm lower with the sport suspension.

**[5] Sport tailpipes**

Specially designed twin tailpipes in chrome-plated stainless steel. Gives a sportier look to the rear of your Boxster.

Part no: 981 044 200 10

\*Some models may require additional components. (Please see fitting and conversion instructions.)

**Performance and everyday practicality.  
What goes for your car goes for your wheels, too.**

Can you imagine your Boxster equipped with one of the wheel and tire sets from Porsche Tequipment? We can.

Offering even greater driving pleasure, they bring added individuality combined with a high level of agility and safety. Keeping your feet on the ground need never be boring.

**[1] 20-inch SportTechno wheels  
with summer tires**

Set of one-piece alloy wheels optimized for low weight, thanks to flow-forming technology. The 20-inch SportTechno

wheels with the Tire Pressure Monitoring System (TPMS) are characterized by their imposing design and size. Clearly defined lines means that they are extremely easy to care for.

Part no: 981 044 602 10

**[1] 20-inch Carrera S wheels  
with summer tires**

The design of the 20-inch Carrera S wheels is both dynamic and powerful—just like your Porsche.

incl. TPMS: 981 044 602 02

**[2] 20-inch Carrera S wheels  
in Platinum (semi-gloss)  
with summer tires**

Your Porsche vehicle delivers excellent dynamic performance, and so do these wheels. The 20-inch Carrera S wheels with summer tires and a paint finish in

Platinum (semi-gloss) emphasize the performance nature of your car and give it even more individuality. Includes wheel centers with full-color Porsche Crest.

incl. TPMS: 981 044 602 06

**[3] 20-inch Carrera Classic wheels  
with summer tires**

Elegant, highly polished 10-spoke wheels with a two-tone finish. The intricate spokes provide a clear view of the Porsche brake system.

incl. TPMS: 981 044 602 08

**[4] 19-inch Boxster S wheels  
with winter tires**

The dual five-spoke design of these wheels will accentuate the sporty appearance of your Boxster, while the winter tires offer improved traction in cold and wet conditions.

incl. TPMS: 981 044 600 04

**[5] 18-inch Boxster wheels  
with winter tires**

These one-piece alloy wheels are not only the ideal match for your Porsche—they provide excellent cold-weather traction in conjunction with the winter tires.

incl. TPMS: 981 044 600 02

**Note on the use of winter tires:**

Summer tires provide optimal performance at ambient temperatures above 44°F. Below this point, the tire compound begins to harden, and braking

distances are increased. We therefore recommend that you fit winter tires during the colder months of the year. Only then can you enjoy the highest standards of active safety from your

Boxster sports car. All winter tires approved by Porsche are identified by an “N” designation on the sidewall.

**Something deep inside convinced you  
that this car was for you.**

Tradition and innovation, performance and practicality, style and functionality: The Boxster manages to reconcile all of these seemingly contradictory notions. It is a Porsche, after all. We don't focus solely on the exterior when we design our sports cars, so why should you.

**Interior**

**You have highly developed senses for a reason.**

**[1] Leather**

Leather is a traditional natural material—a true classic. Items made of Leather are both timeless and durable.

**[2] Mahogany<sup>1</sup>**

Mahogany is a dark, fine Wood. Its fine grain gives it a very modern and elegant look.

**Passion for the sports car.**

**Communication technologies included.**

The Boxster symbolizes independence and freedom. It embodies tradition and innovation, combines style and functionality, and unifies performance with everyday practicality. It's what you expect from any Porsche, and that's why it inspires pure passion for the sports car.

You feel it in the interior, too. From the very first second. Everything is where you would expect it to be. That includes intelligent communication technologies, which are designed to guide this superb athlete to its destination as safely and as directly as possible. Top up or top down, a sporty drive is assured.

## Audio and communication

### [1] PCM with navigation module and CD/DVD changer

The central information and communication system with a high-resolution seven-inch color touchscreen is easy to operate.

The radio is equipped with an RDS twin tuner. The six-disc CD/DVD changer plays CDs and audio DVDs and is MP3-compatible. Audio playback of video DVDs is also supported. The GPS navigation

module has a hard drive containing map data. Other features include dynamic route calculation, a 3-D map display, and automatic route recording.

Part no: 991 044 900 90–96  
Only for vehicles with Sound Package Plus or Bose® Surround Sound System.

### [2] Electronic logbook<sup>1</sup>

The optional electronic logbook enables the automatic recording of mileage, route distance, date and time, starting point, and destination as part of every journey. Once you have downloaded the logbooks from PCM via

Bluetooth® or the USB interface, the data can be evaluated on your home PC using the software supplied.

Part no: 958 044 900 29

<sup>1</sup>Only in conjunction with PCM with navigation module.

**[3] Telephone module<sup>1</sup>**

The optional quadband GSM telephone module offers convenience and excellent reception. By inserting a SIM card directly into the integral SIM card reader of the PCM, calls can be made using the hands-free feature. Alternatively,

the Bluetooth® capability of a mobile phone can be used to make calls through the SIM Access Profile (SAP)<sup>2</sup>.

Part no: 991 044 900 31

**[4] Voice-control system<sup>1</sup> (not shown)**

Almost all of the PCM functions can be activated by voice control. The system recognizes commands and gives audible feedback, guiding you through the functions. Without needing to train the system, phonebook entries can be retrieved, a radio station selected, or the navigation destination entered directly by speaking whole words rather than dictating just one letter at a time.

Part no: 991 044 900 36

<sup>1</sup>Only in conjunction with PCM with navigation module.
