# what is key protect?

Whether it's lost, stolen, or damaged, replacing a car key can be a pain. And it's not just inconvenient, it's expensive. Car keys now have embedded computer chips and must be professionally reprogrammed when replaced. Replacing just one of your keys can cost you hundreds of dollars. But, with key protect, you're covered.

Your pet thought your car key would make a great chew toy? You lost them at the beach? Your key was stolen? No matter how it happens, we'll help you get your key replaced fast and at no additional cost to you.\* Key Protect also comes with complimentary 24/7/365 roadside assistance for whatever the road throws at you.

Your hard-earned money is safe, with Key Protect.
