The 2015 Chrysler at Towbin dealership

SPECIAL TO DRIVE

Towbin Prestige Chrysler Jeep Dodge at 6520 Centennial Center Blvd. is the new dealer for the 2015 Chrysler 200.

The 2015 Chrysler 200S delivers a powerful 295 horsepower V6 engine and comes with the option of all-wheel drive, which is a rarity in the world of mid-size sedans, according to Towbin Automotive co-owner Josh "Chop" Towbin.

The gas mileage has also improved from the previous year's model, giving drivers up to 36 mpg on the highway, Towbin said.

Other features include a 9-speed automatic transmission, an affordable driver-assist package, a space-saving gearshift and a top-notch navigation system.

The gasoline mileage has also improved from the previous year's model, giving drivers up to 36 mpg on the highway, Towbin said.

stylish exterior while maintaining a sophisticated interior, he said.

It is also the only vehicle in its class to offer passive entry as standard equipment.

With a technologically advanced control panel, including a touch screen display system, it was even voted easiest to use, Towbin said.

"Once you test drive this car, you'll fall in love with it," Towbin said. "The extremely comfortable seats and advanced technology make the 2015 Chrysler 200 a top choice."

Named the No. 1 Dodge dealer in the nation for 2013, Towbin Dodge is one of many dealerships in the Towbin Automotive family.

With dealerships across the Las Vegas Valley, Towbin Automotive is the largest provider of Dodge, Chrysler, Jeep, Rams and Fiats in Nevada, Towbin said.

Towbin Motorcars, the company's luxury dealership, is the only automotive group to offer Aston Martin, Bentley and Rolls Royce in Las Vegas, he added.
