UFC Lightweight Champion **Anthony Pettis** stopped by Towbin Dodge, located at 275 Auto Mall Drive in Henderson, Nev., to take a look around the dealership's expansive showroom yesterday afternoon. Pettis, who is set to be a coach on the next season of Spike TV's "Ultimate Fighter" reality television series, took interest in the Chopper Editions offered by Towbin Dodge.

"We look forward to seeing our customized Chopper Edition Chrysler 300 on the new season of Ultimate Fighter, where Pettis will be a coach," said Towbin Dodge co-owner Josh "Chop" Towbin. "It was great to have the champ visit our showroom."

Also spotted at Towbin Dodge today was **Mike Henry**, more commonly known as Horny Mike, from The History Channel's hit reality show "Counting Cars." Known for his love of adding 3-D horns to all of his projects, Horny Mike is the car show's talented airbrush artist. He looked over Towbin Dodge's entire inventory before deciding on a brand new Dodge Challenger.

"We can't wait to see how Horny Mike customizes his new Challenger," said Towbin. "We can only imagine how many horns he will add to his new ride from Towbin Dodge."
