

Scheduled Maintenance Guide

VALUE PACKAGES

"A"

Replace engine oil and filter
Rotate tires and adjust pressure
Inspect brakes
Perform multi point inspection

"B"

Replace engine oil and filter
Four wheel alignment
Perform multi point inspection

"C"

Replace engine oil and filter
Replace engine coolant
Replace transmission fluid
Replace brake fluid

ADDITIONAL SERVICES

Brake fluid
Transmission fluid
Coolant
Tire Rotation
Tire Balance (includes rotation)
Rear differential service
Mount and balance four tires
Four wheel alignment

Brake maintenance
Front brakes
Rear brakes
Timing belt (Civics)
Timing belt (4 cylinders)
Timing belt (V6)
Air and pollen filter
